### **FRB FEDS Notes The Runnables Federal Reserve System**

September 2nd, 2015 - Runnables are important to the proper functioning of the modern financial system as for example they provide financing to broker dealers who in turn provide financing to the nonfinancial sector 11 While beyond the scope of this note future research should provide a quantitative framework to determine the optimal level of runnables that trades off the social cost of amplifying shocks in crises and the benefits of financing
