After On A Novel of Silicon Valley by Rob Reid

January 11th, 2019 - I m not opposed to reading books about Silicon Valley after I ve left and the characters and plots are relatively realistic but their pseudo technology is driving me nuts The reality behind tech right now is that no one has life changing technology at this scale they re just pretending they do and that just makes it all the more ridiculous

After On A Novel of Silicon Valley Rob Reid

January 4th, 2019 - The definitive novel of todayâ€™s Silicon Valley After On flash captures our cultural and technological moment with up to the instant savvy Matters of privacy and government intrusion post Tinder romance nihilistic terrorism artificial consciousness synthetic biology and much more are tackled with authority and brash playfulness by New York Times bestselling author Rob Reid
