## **Attack of the Bullies Nerds Book Five Amazon de**

- My kids love Attack of the Bullies series It's a fun quick and fairly easy read for elementary aged children Seems especially appealing for those kids who are just getting into chapter books The kids said this the 5th book of the series makes many references to events from the 4 previous books So if they haven't read those 4 yet then they might not totally understand the book 5 storyline quite as well

## **Attack of the BULLIES NERDS Book Five English Edition**
