Using SSRS In Angular ASP NET MVC Application Sergey

March 15th, 2019 - I blogged a long time ago about a pattern on how to show reports in an ASP NET MVC application I have received a lot of request to share code but I have lost the source code when I reimaged my machine Rather than recreating this from scratch I decided to take a more advanced route and do the same but in an Angular app

Flash Adobe AIR and Adobe Flash Player Team Blog

March 17th, 2019 - By Jason Lee Prior to Flash Player and AIR version 20 the Flash runtime does not correctly process the matrix field values in the Track Header Box and the Movie Header Box as defined in the ISO specification ISO IEC 14496 12 2008 As a result in some instances the user experiences an incorrectly resized and rotated video when the video is played back with Flash

Introducing Web SQL Databases HTML5 Doctor

February 23rd, 2019 - Please beware that as of 18th November the W3C is no longer actively working on the Web SQL Database specification The Web SQL database API isn't actually part of the HTML5 specification but it is part of the suite of specifications that allows us developers to build fully fledged web

Zepto js the aerogel weight jQuery compatible JavaScript

March 15th, 2019 - While 100 jQuery coverage is not a design goal the APIs provided match their jQuery counterparts The goal is to have a 5 10k modular library that downloads and executes fast with a familiar and versatile API so you can concentrate on getting stuff done Zepto is open source software and is released under the developer and business friendly MIT license
