November 24th, 2018 - The characters were well developed The villains were extremely dangerous They even made me anxious Detective Jones did not know who if anyone he could trust The story is riveting and is definitely a page turner Since this is a Matt Jones Book 1 I assume there will be a book 2 and I am definitely looking forward to it That s the only reason I can grudgingly accept the ending Great writing Mr Ellis

City of Echoes Detective Matt Jones Book 1 eBook Robert

- During the first half of the book I would have called this a solid 7 with only a couple of unrealistic behaviors of Matt and his partner keeping it from an 8 But the book sagged a bit after that becoming more chaotic and unrealistic But I still liked it overall and will definitely be looking for the next Matt Jones story
