## **Dark Paradise A History of Opiate Addiction in America**

November 30th, 2018 - Dark Paradise tells the story not only from the standpoint of legal and medical sources but also from the perspective of addicts themselves With the addition of a new introduction and two new chapters on heroin addiction and treatment since 1940 Courtwright has updated this compelling work of social history for the present crisis of the Drug War

## **Dark Paradise A History of Opiate Addiction in America by**

- A very good social history of opiate addiction in the United States Basic argument is that the demographics of opiate addiction have changed dramatically over the course of the three and a half great waves of opiate addiction and that this has been the primary driver of the different drug control policies that have followed

## **Dark Paradise " David T Courtwright Harvard University**

- Dark Paradise is recommended reading for anyone interested in the history of opiate dependence It is presented in a factual format but with a human focus Courtwright illustrates beautifully the impact of social and legislative changes on the individual with an opiate addiction while managing to avoid an emotive or "one sided" account of events

## **Dark Paradise A History of Opiate Addiction in America**

November 11th, 2018 - Dark Paradise is recommended reading for anyone interested in the history of opiate dependence It is presented in a factual format but with a human focus Courtwright illustrates beautifully the impact of social and legislative changes on the individual with an opiate addiction while managing to avoid an emotive or one sided account of events
