August 13th, 2018 - The humanity of the protagonist Bell Elkins brings me back again and again Fast Falls the Night takes place over the course of

a single day and was inspired by real events in the author's home town. A series of drug deaths is being investigated. At the same time there is the chance to visit with many of the series regular characters. This literary trip to West Virginia can be tough and heart breaking but oh so worthwhile. Highly recommended.

August 21st, 2017 - Fast Falls the Night is the sixth Bell Elkins novel by Julia Keller. You'll understand why I have included the hymn lyrics when you read the book. This is a fabulous series and I have read every book. Fast Falls the Night is an excellent addition to the series. The reader is left with some cliffhangers at the end. So now I am dying for the next book.
