## **Microeconomics Econlib**

January 31st, 2019 - Until the so called Keynesian revolution of the late 1930s and 1940s the two main parts of economic theory were typically labeled "monetary theory" and "price theory". Today the corresponding dichotomy is between "macroeconomics" and "microeconomics". The motivating force for the change came from the macro side with modern macroeconomics being far more explicit than old
