### **Trial and Error Gameplay TV Tropes**

August 16th, 2018 - The Half-Quake series of Half-Life mods is full of this, along with at least one instance of Unwinnable. This is quite bluntly lampshaded in the first of them, with the Hazard Course being replaced with an object lesson in sadism and justified by the game being intended to punish the player character for torturing and eventually killing them. This is a complaint sometimes leveled at Stealth-Based
