### **Amazon com Customer reviews Oh Say Can You Say What s**

- While I can talk about the science of weather with older students there  
s only so much I can do with very young kids This book does a good job  
explaining weather information while also being engaging I received a ton  
of good feedback and plan to use it a bunch in the future After posting to  
social media about it I ve had multiple other friends in the business tell  
me they ve also ordered this book
