Amazon com Customer reviews Pop Goes the Weasel Alex

November 25th, 2018 - Pop Goes The Weasel is an okay novel and it does redeem Patterson for his work on Cat amp Mouse but it doesn t hold up for what made Along Came A Spider Kiss the Girls and Jack amp Jill so good The beginning and most of the middle really had me going but it is the final part of the story that didn t sit well with me If you are a fan of the Alex Cross series then maybe you might like this one

Pop Goes the Weasel by James Patterson Goodreads

- Pop Goes the Weasel is the 5th book featuring Alex Cross This book is
written a bit differently in that the reader knows who did it right away
Cross figures it out quickly however diplomatic immunity forces the plot
more towards will he be made to pay for his crimes rather than will he be
caught The abrupt twist at the end was a fabulous way to end the book
also it means that I can t wait to pick up the 6th
