Seconds to Live Scarlet Falls Book 3 English Edition

September 21st, 2018 - Seconds to Live is the 3rd book in Melinda Leigh's Scarlet Falls series and it's definitely my favorite one. Like all of Melinda's books once you start reading you will have a very hard time stopping until it's finished. No matter how many books she writes she is one of those rare authors that always manages to remain unpredictable. I look forward to seeing what she comes up with next.
