Star Wars The Force Awakens Graphic Novel Goodreads

- The Force Awakens graphic novel is a very condensed form of the seventh Star Wars movie I am not entirely sure who it is meant to appeal to though If you have never seen the movie then this adaptation might leave you with questions and feel that the story is lacking There isn t as much time to dedicate to character development and backstory

The Force Awakens Graphic Novel Adaptation

April 6th, 2019 - This graphic novel adaptation is not the trade paperback of the Force Awakens comic short run series It is its own adaptation with its own quirks I quite enjoyed it Apparently when Rey was in Maz s castle on Takodana the sound of a young girl in anguish is what brought her down the stairs into the basement I ll have to watch the movie again to catch that audio Whenever I ve watched the movie it always just sounds like random creepy noises
