Amazon com Customer reviews The Black Stallion

April 4th, 2019 - I bought The Black Stallion set for my nine year old grandson who loves to read I thought he would love the books because he loves animals is interested in horses and loves adventure stories At the time I bought the set I had not actually read any of The Black Stallion books However the reviews sounded great so I decided to try them out My grandson seemed happy about the books but as of this review writing he

hasn t begun reading them yet
