The Courage To Start A Guide To Running for Your Life by

October 8th, 2017 - Until now More than anything this book helped me to stop obsessing about times and pace and how I should run and to start just focusing on putting one foot in front of the other A run is a run is a run The rest is just noise really I can't say that I fully embrace running as a guide to my life But running certainly helps me in my life

The Courage to Start A Guide to Running for Your Life by

February 6th, 2019 - From Chapter One The Courage to Start Every January it was the same story Like so many others I looked to the New Year as the time to start my new life I started thinking about it in July of course but I reasoned that it was better to wait until the New Year to start
