## **This Is the Way We Go to School A Book About Children**

- This is a book about how kids around the world go to school Some ride bikes busses or in cars Some walk or ride in a buggy pulled by a horse It is a very great book I would use this book in a social studies book It has a map in the back of the book so the kids can actually see where the kids in the book live which I think is a great teaching tool

## **This Is the Way We Go to School A Book About Children**

- This book has a winning concept Let s take a look at all the ways children around the world travel to and from school But the presentation leaves much to be desired A poorly designed world map requires readers to flip from the map to a list of names to a page featuring a particular child Also nearly half the locations are in the United States an excessive sampling for a book with Children Around the World in the subtitle

## **This Is the Way We Go to School A Book About Children**

April 7th, 2019 - Children go by ferry in New York vaporetto in Italy trolley car in San Francisco and helicopter in the Alaskan Tundra With fun filled rhymes and colorful illustrations children will discover just how much fun getting to school can be

## **This Is the Way We Go to School A Book About Children**
